

Greetings All Current and Past FAMSS Members!

Plans are underway for our 30th Anniversary FAMSS Conference next year, and we have many surprises on the drawing board.

We would really appreciate your assistance gathering photos from past conferences to contribute to our photo/video history. We especially would appreciate any photos you may have that were taken before the digital age. You know the ones I mean, they'll be in an actual photo album, or stored away in an envelope, packed in a box in your closet?

Please consider setting aside some time to search them out, then scan and e-mail to Holly Jones at hollyjones49@yahoo.com. Holly has created a FAMSS Florida Facebook page for us, and she will upload pictures for all to view and enjoy.

If you are unable to scan your photos, you may mail them to me. I will be happy to scan the photos and mail the photos back to you. Please be sure to identify the year, if possible, and the people in your photographs. Don't forget to include your return address if you want the photos returned to you. Mail to: Vicki Hulette - 421 Eron Way - Winter Garden, Florida 34787.

Of course, we would be happy to receive your digital photos for inclusion in our history as well. Who knows, you may have the award winning photo, but you won't know if you don't participate!

Feel free to contact me with any questions at vicki.hulette@healthcentral.org. Thanks!

Warmest regards,

Vicki J. Hulette, CPCS, CPMSM
